FUTURE LITTER CONTROL PROGRAMS.....	10-3
Chapter 11 Solid Waste Management Plan Actions	11-1
OVERVIEW OF THE FAIRFAX COUNTY SWMP ACTIONS	11-1
SOURCE REDUCTION AND REUSE	11-1
Improve Public Outreach and Education	11-3
Promote Public/Private Source Reduction and Reuse Programs	11-4
Promote a Residential Yard Waste Composting and/or Grasscycling Program	11-6
Develop a Regional Approach to CDD Source Reduction and Reuse.....	11-7
Implement County Internal Source Reduction and Reuse Programs.....	11-7
RECYCLING.....	11-8
Promote Public/Private Recycling Programs.....	11-8
Improve Public Outreach and Education.....	11-10
Increase Business Recycling	11-11
Expand Curbside Recyclables Collected	11-11
Promote CDD Recycling at a County Location	11-12
Revise Regulations and Policies to Enhance Recycling	11-12
Find Suitable Recycling Alternatives for Multiunit Buildings.....	11-13
Continue Using the Current Yard Waste Recycling System	11-14
Promote Additional Waste Exchanges among Jurisdictions	11-14
Encourage VDOT to Use Recycled Materials in Road Construction.....	11-15
Support Expansion of MRF Capacity	11-15
Continue Using the Current Special Wastes Management System	11-15
DISPOSAL	11-15
Continue Using the Current Disposal System	11-16
Discontinue Use of E/RRF after 2011 and Use Out-of-County Landfills	11-17
Foster a Regional Approach for CDD Disposal.....	11-18
Improve Public Outreach and Education.....	11-18
COLLECTION AND TRANSFER SWMP ACTIONS	11-18

Partner with Private Waste Collection Companies and Community Stakeholders to Improve Residential Collection Service	11-19
Revise County Code to Improve Residential Service.....	11-20
Continue Current Vacuum Leaf Collection System	11-20
Improve Public Outreach and Education – CDD Collection	11-20
Consider Program to Promote Best Management Practices for CDD Haulers	11-21
Promote Use of Special Fuels, Filters, and Special Vehicles for Collection.....	11-21
Implement Collection and Disposal Strategies for Emergencies.....	11-21
Expand Special Wastes Collection.....	11-21
Continue Using Current Transfer System	11-22
Reconfigure or Construct Waste Handling Areas at the I-66 Transfer Station	11-22
Add Transfer Capabilities to the I-95 Landfill Complex (if needed)	11-23
Improve Public Outreach and Education – Transfer	11-23
Chapter 12 Implementation Plan.....	12-1
SOURCE REDUCTION AND REUSE	12-1
Improve Public Outreach and Education.....	12-1
Promote Public/Private Source Reduction and Reuse Programs	12-2
Promote a Residential Yard Waste Composting and/or Grasscycling Program	12-3
Develop a Regional Approach to CDD Source Reduction and Reuse.....	12-4
Implement County Internal Source Reduction and Reuse Programs.....	12-5
RECYCLING.....	12-6
Promote Public/Private Recycling Programs.....	12-6
Improve Public Outreach and Education.....	12-6
Increase Business Recycling by Reducing Commercial Recycling Thresholds....	12-7
Expand Curbside Recycleables Collected to Include Mixed Paper, Plastic Bottles, and Cardboard.....	12-9
Promote CDD Recycling at a County Location	12-10
Revise Regulations to Enhance Recycling.....	12-11
Find Suitable Recycling Alternatives for Multiunit Buildings.....	12-13
Continue Using the Current Yard Waste Recycling System	12-14
Promote Additional Waste Exchanges among Jurisdictions	12-15
Encourage VDOT to Use Recycled Materials in Road Construction.....	12-15
